## ABOUT TOCQUEVILLE SOCIETY

The Society is named after the 19th century French political thinker and historian Alexis de Tocqueville who, in his writings, recognized the importance of voluntary action on behalf of the common good. The Society is dedicated to developing a stronger sense of community and connection among local philanthropists through engagement opportunities that grow awareness of issues and solutions affecting the well-being of children and families in our community and networking with like-minded individuals.

Members of our local Tocqueville Society automatically become members of United Way Worldwide's Tocqueville United, which is comprised of over 25,000 philanthropic leaders throughout the United States.
